NOTICE TO STOCKHOLDERS OF ACTION APPROVED BY CONSENTING STOCKHOLDER

The following action was taken based upon the unanimous recommendation of the Board of Directors and the written consent of the consenting stockholder:

I. APPROVAL TO AMEND ARTICLES OF INCORPORATION TO EFFECT A CHANGE OF NAME OF THE COMPANY FROM “PRIVATE SECRETARY, INC.” TO “TERRA TECH CORP.”

On January 26, 2012 the Board of Directors, and on January 26, 2012 the consenting stockholder, approved an amendment to our Articles of Incorporation to effect a change of our name from “Private Secretary, Inc.” to “Terra Tech Corp.” (the “Name Change”). Under Rule 14c-2, promulgated pursuant to the Securities Exchange Act of 1934, as amended, the Name Change shall be effective twenty (20) days after this Information Statement is mailed to stockholders of Private Secretary. We anticipate the effective date to be on or about February 26, 2012.

II. AMENDMENT TO THE ARTICLES OF INCORPORATION CREATING “BLANK CHECK” PREFERRED STOCK.

General

On January 26, 2012 the Board of Directors, and on January 26, 2012 the consenting stockholder, approved the filing of an amendment to our Articles of Incorporation to authorize the creation of 25,000,000 shares, designated as our Preferred Stock (the “Amendment”). The Preferred Stock may be issued from time to time in one or more series by our Board of Directors. Our Board of Directors will be expressly authorized to provide, by resolution(s) duly adopted by it prior to issuance, for the creation of each such series and to fix the designation and the powers, preferences, rights, qualifications, limitations and restrictions relating to the shares of each such series of Preferred Stock.

Reasons for the Creation of “Blank Check” Preferred Stock

We believe that for us to successfully execute our business strategy we will need to raise investment capital and it may be preferable or necessary to issue preferred stock to investors. Preferred stock usually grants the holders certain preferential rights in voting, dividends, liquidation or other rights in preference over a company’s common stock. Accordingly, in order to grant us the flexibility to issue our equity securities in the manner best suited for our Company, or as may be required by the capital markets, the Amendment will create 25,000,000 authorized shares of “blank check” Preferred Stock for us to issue.

The term “blank check” refers to preferred stock, the creation and issuance of which is authorized in advance by our Stockholders and the terms, rights and features of which are determined by our Board of Directors upon issuance. The authorization of such “blank check” Preferred Stock permits our Board of Directors to authorize and issue Preferred Stock from time to time in one or more series without seeking further action or vote of our Stockholders.

Principal Effects of the Creation of “Blank Check” Preferred Stock

Subject to the provisions of the Amendment and the limitations prescribed by law, our Board of Directors would be expressly authorized, at its discretion, to adopt resolutions to issue shares, to fix the number of shares and to change the number of shares constituting any series and to provide for or change the voting powers, designations, preferences and relative, participating, optional or other special rights, qualifications, limitations or restrictions thereof, including dividend rights (including whether the dividends are cumulative), dividend rates, terms of redemption (including sinking fund provisions), redemption prices, conversion rights and liquidation preferences of the shares constituting any series of the Preferred Stock, in each case without any further action or vote by our stockholders. Our Board of Directors would be required to make any determination to issue shares of Preferred Stock based on its judgment as to what is in our best interests and the best interests of our stockholders. The Amendment will give our Board of Directors flexibility, without further stockholder action, to issue Preferred Stock on such terms and conditions as our Board of Directors deems to be in our best interests and the best interests of our stockholders.

The authorization of the “blank check” Preferred Stock will provide us with increased financial flexibility in meeting future capital requirements. It will allow Preferred Stock to be available for issuance from time to time and with such features as determined by our Board of Directors for any proper corporate purpose. It is anticipated that such purposes may include, without limitation, exchanging Preferred Stock for Common Stock, the issuance for cash as a means of obtaining capital for our use, or issuance as part or all of the consideration required to be paid by us for acquisitions of other businesses or assets.

The issuance by us of Preferred Stock could dilute both the equity interests and the earnings per share of existing holders of our Common Stock. Such dilution may be substantial, depending upon the amount of shares issued. The newly authorized shares of Preferred Stock could also have voting rights superior to our Common Stock, and therefore would have a dilutive effect on the voting power of our existing Stockholders.

Any issuance of Preferred Stock with voting rights could, under certain circumstances, have the effect of delaying or preventing a change in control of our Company by increasing the number of outstanding shares entitled to vote and by increasing the number of votes required to approve a change in control of our Company. Shares of voting or convertible Preferred Stock could be issued, or rights to purchase such shares could be issued, to render more difficult or discourage an attempt to obtain control of our Company by means of a tender offer, proxy contest, merger or otherwise. The ability of our Board of Directors to issue such shares of Preferred Stock, with the rights and preferences it deems advisable, could discourage an attempt by a party to acquire control of our Company by tender offer or other means. Such issuances could therefore deprive our stockholders of benefits that could result from such an attempt, such as the realization of a premium over the market price that such an attempt could cause. Moreover, the issuance of such shares of Preferred Stock to persons friendly to our Board of Directors could make it more difficult to remove incumbent managers and directors from office even if such change were to be favorable to stockholders generally.

There are currently no plans, arrangements, commitments or understandings for the issuance of shares of Preferred Stock.

Anti-Takeover Effects

The Amendment will provide us with shares of Preferred Stock which would permit us to issue additional shares of capital stock that could dilute the ownership of the holders of our Common Stock by one or more persons seeking to effect a change in the composition of our Board of Directors or contemplating a tender offer or other transaction for the combination of the Company with another company. The creation of the Preferred Stock is not being undertaken in response to any effort of which our Board of Directors is aware to enable anyone to accumulate shares of our Common Stock or gain control of the Company. The purpose of the creation of the Preferred Stock is to grant us the flexibility to issue our equity securities in the manner best suited for our Company, or as may be required by the capital markets. However, we presently have no plans, proposals, or arrangements to issue any of the newly authorized shares of Preferred Stock for any purpose whatsoever, including future acquisitions and/or financings.

Other than the creation of the “blank check” Preferred Stock, our Board of Directors does not currently contemplate the adoption of any other amendments to our Articles of Incorporation that could be construed to affect the ability of third parties to take over or change the control of the Company. While it is possible that management could use the additional authorized shares of Common Stock or Preferred Stock to resist or frustrate a third-party transaction that is favored by a majority of the independent stockholders, we have no intent, plans or proposals to use the newly created Preferred Stock as an anti-takeover mechanism or to adopt other provisions or enter into other arrangements that may have anti-takeover consequences.

While the creation of the “blank check” Preferred Stock may have anti-takeover ramifications, our Board of Directors believes that the financial flexibility offered by such corporate actions will outweigh the disadvantages. To the extent that these corporate actions may have anti-takeover effects, third parties seeking to acquire us may be encouraged to negotiate directly with our Board of Directors, enabling us to consider the proposed transaction in a manner that best serves the stockholders’ interests.
