### **Forward-looking Statements**

Statements in Exhibit 99.1 to this Current Report on Form 8-K may be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate", "believe", "estimate", "expect", "intend" and similar expressions, as they relate to Terra Tech Corp. (the "Company") or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the Company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in the Company's filings with the Securities and Exchange Commission. In addition, such statements could be affected by risks and uncertainties related to: (i) our ability to integrate Black Oak Gallery, a California corporation ("Black Oak"), into the Company's operations, (ii) product demand, market, and customer acceptance of the Company's products, (iii) the Company's ability to obtain financing to expand our operations, (iv) the Company's ability to attract qualified sales representatives, (v) competition, pricing and development difficulties, (vi) the Company's ability to conduct the business of IVXX, Inc., the contemplated businesses of MediFarm, LLC, MediFarm I, LLC, and MediFarm II, LLC, if there are changes in laws, regulations, or government policies related to cannabis, (vii) the Company's ability to conduct operations if disease, insects, or mites affect Edible Garden Corp.'s produce, herbs, and floral products, and (viii) general industry and market conditions and growth rates and general economic conditions. Any forward-looking statements speak only as of the date on which they are made, and the Company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of Form 8-K.

**Terra Tech Announces Grand Opening Date of Third Nevada-based Medical Cannabis Dispensary**

*Grand Opening of Las Vegas Flagship Blüm Dispensary at Desert Inn to be held on October 22, 2016*

**NEWPORT BEACH, Ca. – October 11, 2016** – Terra Tech Corp. (OTCQX: TRTC) (“Terra Tech”) or (the “Company”), a vertically integrated cannabis-focused agriculture company, today announced the Grand Opening of its latest Blüm retail dispensary, to be located on Desert Inn Las Vegas, Nevada, will be held on October 22, 2016. This is Terra Tech’s third retail location in Nevada and follows the opening of the Western Las Vegas Dispensary in April, 2016 and the South Decatur Boulevard Las Vegas Dispensary in August, 2016. The Company also operates a Blüm dispensary in Oakland, California.

The 5,220 square foot facility is located at 1130 East Desert Inn Road, Las Vegas, east of the Las Vegas Strip next to the Convention Center. The Decatur Boulevard Blüm Dispensary will offer the Company’s proprietary IVXX™ brand of premium medical cannabis, flowers, shatters, waxes and oils, among other high-quality cannabis products from a range of reputable providers of superior grade medical cannabis.

Derek Peterson, CEO of Terra Tech, stated, “With the opening of our third Blum dispensary in Nevada we are able to position Terra Tech as an industry leader in the medical cannabis market at a time when the legal cannabis industry is gaining momentum. Desert Inn is a strategic location for Terra Tech because Las Vegas attracted a record-breaking 42 million tourists in 2015. As Nevada is one of the few states to accept both local *and* out-of-state medical cannabis authorizations as part of a multi-state reciprocity agreement, this enormous tourism market is accessible to medical cannabis providers. There is a significant market opportunity for well-managed legal operators to establish themselves as leaders in this fast growing sector. Given the early success of our Western Las Vegas and South Decatur Boulevard dispensaries which opened this year, we are confident the Desert Inn dispensary will play a meaningful role in our expansion into a nationwide medicinal cannabis provider.”

“We are excited to see Nevada advance toward the legalization of recreational cannabis, which we believe would help fund public health programs, promote job growth and reduce violent crimes, in Nevada. We are proud to be at the forefront of this explosive industry and invite investors, media and customers to attend the Grand Opening on October 22<sup>nd</sup> and view our selection of premium medical cannabis products at 1130 East Desert Inn Road. As a point of interest, this building was featured in the movie *Casino* as the bank utilized by Sam ‘Ace’ Rothstein and Ginger McKenna, the characters played by Robert De Niro and Sharon Stone. The Company also plans to open another dispensary in Reno, Nevada later this fall,” concluded Mr. Peterson.
