Forward-looking Statements

Statements in Exhibit 99.1 to this Current Report on Form 8-K may be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate", "believe", "estimate", "expect", "intend" and similar expressions, as they relate to Terra Tech Corp. (the "Company") or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the Company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in the Company's filings with the Securities and Exchange Commission. In addition, such statements could be affected by risks and uncertainties related to: (i) our ability to integrate Black Oak Gallery, a California corporation ("Black Oak"), into the Company's operations, (ii) product demand, market, and customer acceptance of the Company's products, (iii) the Company's ability to obtain financing to expand our operations, (iv) the Company's ability to attract qualified sales representatives, (v) competition, pricing and development difficulties, (vi) the Company's ability to conduct the business of IVXX, Inc., the contemplated businesses of MediFarm, LLC, MediFarm I, LLC, and MediFarm II, LLC, if there are changes in laws, regulations, or government policies related to cannabis, (vii) the Company's ability to conduct operations if disease, insects, or mites affect Edible Garden Corp.'s produce, herbs, and floral products, and (viii) general industry and market conditions and growth rates and general economic conditions. Any forward-looking statements speak only as of the date on which they are made, and the Company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of Form 8-K.

Item 7.01 Regulation FD Disclosure.

On November 14, 2016, Terra Tech Corp. (the "Company") issued a press release announcing that its Chief Executive Officer, Derek Peterson, has been named one of the Q&A panelist "sharks" at the Arcview Investor Forum, Las Vegas, Nevada on November 15, 2016. Terra Tech Corp CEO, Derek Peterson, Named “Shark” at the Arcview Investor Forum, Las Vegas

NEWPORT BEACH, Ca. – November 14, 2016 – Terra Tech Corp. (OTCQX: TRTC) (“Terra Tech”) or (the “Company”), a vertically integrated cannabis-focused agriculture company, today announced that its Chief Executive Officer, Derek Peterson, has been named one of the Q&A panelist “sharks” at the Arcview Investor Forum, Las Vegas, Nevada on November 15.

The Arcview Angel Investor Network currently consists of over 550 accredited investors in the cannabis sector. Over 133 cannabis companies have raised at least \$86 million dollars as a result of their participation in Arcview. Arcview hosts a big in-person pitch event at least every quarter where new entrants in the cannabis market network and share ideas. Derek Peterson, CEO of Terra Tech Corp., has been appointed a “shark” at the November 14 – 15 event, alongside Jeff Beverly, president and director of Grow Solutions Inc., and Ean Seeb, co-owner and manager of Denver Relief. As experienced and trusted experts in the cannabis industry, they have been chosen to be the event’s Q&A panelists to help the investor audience more fully understand the presenting entrepreneurs and their businesses.

Derek Peterson, CEO of Terra Tech, commented, “I’m really looking forward to what should prove to be an enjoyable event attended by a range of industry experts with a deep understanding of the cannabis industry. It is an honor to be asked to be on the Q&A panel. As a ‘shark’ I’ll be listening to companies present and grilling them on their business strategies to help the investor audience understand more about the challenges and opportunities they face. With last week’s passing of recreational cannabis ballots in California, Nevada and Massachusetts and Maine, and the approval of medical cannabis in Arkansas, Florida, and North Dakota, the cannabis industry is set to grow rapidly. The Arcview Investor Forum, Las Vegas, is one of the largest cannabis investing events in the industry and it’s exciting to be asked to be part of it.”
