Forward-looking Statements

Statements in Exhibit 99.1 to this Current Report on Form 8-K may be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate", "believe", "estimate", "expect", "intend" and similar expressions, as they relate to Terra Tech Corp. (the "Company") or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the Company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in the Company's filings with the Securities and Exchange Commission. In addition, such statements could be affected by risks and uncertainties related to: (i) our ability to integrate Black Oak Gallery, a California corporation ("Black Oak"), into the Company's operations, (ii) product demand, market, and customer acceptance of the Company's products, (iii) the Company's ability to obtain financing to expand our operations, (iv) the Company's ability to attract qualified sales representatives, (v) competition, pricing and development difficulties, (vi) the Company's ability to conduct the business of IVXX, Inc., the contemplated businesses of MediFarm, LLC, MediFarm I, LLC, and MediFarm II, LLC, if there are changes in laws, regulations, or government policies related to cannabis, (vii) the Company's ability to conduct operations if disease, insects, or mites affect Edible Garden Corp.'s produce, herbs, and floral products, and (viii) general industry and market conditions and growth rates and general economic conditions. Any forward-looking statements speak only as of the date on which they are made, and the Company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of Form 8-K.

Terra Tech Announces Opening of Fourth Nevada-based Medical Cannabis Dispensary

Grand Opening of Blüm Dispensary in Reno, Nevada to be held on January 12, 2017

NEWPORT BEACH, Ca. – December 29, 2016 – Terra Tech Corp. (OTCQX: TRTC) (“Terra Tech”) or (the “Company”), a vertically integrated cannabis-focused agriculture company, today announced that its new Blüm dispensary, located at 1085 South Virginia Street, Reno, Nevada, will open to patients on Monday, January 2nd, 2017 at 9:00 AM Pacific Time. The Company will also host a Grand Opening for the dispensary on Thursday, January 12th, 2017, at 9:00AM PT, with the ribbon cutting scheduled for 1:00 PM PT. Investors, media and customers are invited to attend the event to view the dispensary’s selection of premium medical cannabis products.

The Blüm dispensary in Reno, Nevada is currently open to the public for preregistration. The dispensary will offer the Company’s proprietary IVXX™ brand of premium medical cannabis, flowers, shatters, waxes and oils, among other high-quality cannabis products from a range of reputable providers of superior grade medical cannabis.

Derek Peterson, CEO of Terra Tech, stated, “It is our great pleasure to announce that Blüm Reno has successfully completed all of its inspections with the State of Nevada and officially received its Nevada State Medical Marijuana Establishment (“MME”) Registration Certificate. Our dispensary in Northern Nevada successfully received the MME Registration Certificate without one deficiency and I am proud of our team for all its hard work getting us to this stage. This is our fourth dispensary in Nevada to open in less than a year, giving us a strong presence in the state. Moreover, in November 2016, Nevada took the historic step of approving the legalization of recreational cannabis. We believe that our efforts to establish Blüm as a leader in the medical cannabis market have uniquely positioned the Company to capitalize on the emerging market for legal cannabis, where we see significant opportunity for growth.”

The Reno, Nevada Blüm dispensary follows the opening of the Desert Inn Dispensary in October, 2016, the South Decatur Boulevard, Las Vegas Dispensary in August, 2016 and the Western, Las Vegas Dispensary in April, 2016. The Company has also operated a Blüm dispensary in Oakland, California, since April, 2016.

Blüm Reno’s hours of operations will be:

Sunday – Thursday: 9:00 AM to 10:00 PM PT
Friday – Saturday: 9:00 AM to 12:00 AM PT
