Forward-looking Statements

Statements in Exhibit 99.1 to this Current Report on Form 8-K may be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate", "believe", "estimate", "expect", "intend" and similar expressions, as they relate to Terra Tech Corp. (the "Company") or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the Company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in the Company's filings with the Securities and Exchange Commission. In addition, such statements could be affected by risks and uncertainties related to: (i) our ability to integrate Black Oak Gallery, a California corporation, into the Company's operations, (ii) product demand, market, and customer acceptance of the Company's products, (iii) the Company's ability to obtain financing to expand our operations, (iv) the Company's ability to attract qualified sales representatives, (v) competition, pricing and development difficulties, (vi) the Company's ability to conduct the business of IVXX, Inc., the contemplated businesses of MediFarm, LLC, MediFarm I, LLC, and MediFarm II, LLC, if there are changes in laws, regulations, or government policies related to cannabis, (vii) the Company's ability to conduct operations if disease, insects, or mites affect Edible Garden Corp.'s produce, herbs, and floral products, and (viii) general industry and market conditions and growth rates and general economic conditions. Any forward-looking statements speak only as of the date on which they are made, and the Company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of Form 8-K.

Item 7.01 Regulation FD Disclosure.

On June 8, 2017, Terra Tech Corp. (the "Company") issued a press release announcing that its Chief Executive Officer, Mr. Derek Peterson, has been chosen as a panelist at both the Cannabis World Congress & Business Expo, and the 6th Annual Marcum Microcap Conference, to be held on Thursday, June 15, 2017 in New York City. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The information contained in this Item 7.01, and in Exhibit 99.1, referenced herein is being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act or incorporated by reference in any filing under the Securities Act, unless the Company expressly so incorporates such information by reference.

Terra Tech Corp. CEO Selected as Panelist at Upcoming Industry Conferences

Derek Peterson to participate at the Cannabis World Congress & Business Expo and the Marcum Microcap Conference on June 15, 2017

Irvine, CA — June 8, 2017 – Terra Tech Corp. (OTCQX: TRTC) (“Terra Tech” or the “Company”), a vertically integrated cannabis-focused agriculture company, today announced its Chief Executive Officer, Mr. Derek Peterson, has been chosen as a panelist at both the Cannabis World Congress & Business Expo, and the 6th Annual Marcum Microcap Conference, to be held on Thursday, June 15, 2017 in New York City.

Mr. Derek Peterson, Chief Executive Officer of Terra Tech, commented, “Terra Tech has positioned itself to harness the growth in the legal cannabis market by establishing cultivation, extraction and retail operations across both the California and Nevada markets. As a result of the breadth of our operations, we have deep insight into the various complexities of the cannabis market, as well as keen awareness of the opportunities for innovative companies in the space. I am honored to be asked to speak about the future of cannabis at these conferences in order to increase Terra Tech’s exposure to investors, media and other key players in the industry.”

At the 2017 Marcum Microcap Conference, Mr. Peterson will speak on the panel “Up in Smoke? How to Invest in the Cannabis Industry” at 2:00PM Eastern Time on Thursday, June 15, 2017. The panelists will discuss the opportunities, the financial and legal hurdles, and the outlook for the cannabis industry under the new administration. Mr. Peterson will also deliver a presentation about Terra Tech Corp. at 3:00 p.m. Eastern Time the same day, which will offer the investment community an opportunity to hear the company’s business methodologies and latest corporate achievements, as well as the Company’s near and long term outlook. The presentation will be webcast live at <http://wsw.com/webcast/marcum5/trtc> or via the Company’s website at <http://ir.terratechcorp.com/ir-calendar>

At The Cannabis World Congress & Business Expo, Mr. Peterson will speak on the panel “Finding Rewards in a Risky Environment” at 10:00AM Eastern Time on Thursday, June 15, 2017. Throughout this session, the panelists will discuss opportunities that are currently in the marketplace as well as those on the horizon while navigating uncertainty in the market.
