### **Forward-looking Statements**

Statements in Exhibit 99.1 to this Current Report on Form 8-K may be “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as “anticipate”, “believe”, “estimate”, “expect”, “intend” and similar expressions, as they relate to Terra Tech Corp. (the “Company”) or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the Company’s business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in the Company’s filings with the Securities and Exchange Commission. In addition, such statements could be affected by risks and uncertainties related to: (i) our ability to integrate Black Oak Gallery, a California corporation, into the Company’s operations, (ii) product demand, market, and customer acceptance of the Company’s products, (iii) the Company’s ability to obtain financing to expand our operations, (iv) the Company’s ability to attract qualified sales representatives, (v) competition, pricing and development difficulties, (vi) the Company’s ability to conduct the business of IVXX, Inc., the contemplated businesses of MediFarm, LLC, MediFarm I, LLC, and MediFarm II, LLC, if there are changes in laws, regulations, or government policies related to cannabis, (vii) the Company’s ability to conduct operations if disease, insects, or mites affect Edible Garden Corp.’s produce, herbs, and floral products, and (viii) general industry and market conditions and growth rates and general economic conditions. Any forward-looking statements speak only as of the date on which they are made, and the Company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of Form 8-K.

### **Terra Tech Corp. CEO to Participate in Cannabis Industry Panel and Host Company Presentation at New West Summit**

Irvine, CA — October 5, 2017 – Terra Tech Corp. (OTCQX: TRTC) (“Terra Tech” or the “Company”), a vertically integrated cannabis-focused agriculture company, today announced its Chief Executive Officer, Derek Peterson, will participate on an industry panel and host a presentation about Terra Tech Corp. at the New West Summit, in Oakland, California, on Saturday, October 14, 2017.

The panel will be on the subject of “Weed Wellness And Sustainability - Decide What You Put Inside You And Know The Root Of It” and will take place at 3:30pm PT in OCC 208 (Level 2). Panelists will discuss the next generation of cannabis technology, and the role that organic and environmentally sustainable practices will play in the evolution of the legal cannabis industry.

The Company presentation will be held at 1:00pm PT on the same day, Saturday, October 14, 2017, where Mr. Peterson will provide an overview of Terra Tech Corp.’s business model and growth expectations.

Derek Peterson, Chief Executive Officer of Terra Tech Corp., commented, “With the cannabis sector rapidly professionalizing there is a growing awareness of the importance of sustainable farming practices and production of pesticide-free cannabis products. At Terra Tech, we have always prided ourselves on using responsible cultivation practices by integrating the best of the natural world with our unsurpassed technology and expertise to create sustainable, renewable solutions for cannabis cultivation, without sacrificing quality. I look forward to discussing these topics in greater detail and to raising awareness of Terra Tech’s position in the cannabis market with other leading players as well as with interested investors.”
